PREFACE Welcome to *Principles of Macroeconomics with Concept Coach*, an OpenStax resource. This textbook has been created with several goals in mind: accessibility, customization, and student engagement—all while encouraging

- Explain economic principles and their applications in the real world.
- Summarize the different types of market structures and the role of government in economics. In the workplace, we are often asked to create “briefs.” A brief provides a snapshot, or short, written summary, of a situation or event that has occurred.
